

## Summer isn't summer without great tunes!

We invite you to see some of the world's best tribute bands in the Sounds Like Summer Concert Series, an annual live event that rocks *Epcot*®. Hear your all-time favorite hits that never fail to strike a chord, bringing back summertime bliss and becoming the timeless anthems of youth.

Gather your friends, family and colleagues together and get into the groove with the songs you all know and love. Dance to classic hits and have a toe-tappin' good time under the skies of the open-air America Gardens Theatre in World Showcase.
