

Senator Tester's staff visits campus

James Wise, Legislative Director, Cheryl Ulmer, Great Falls Field Director, and Robyn Madison, Great Falls Field Representative, toured MSU - Great Falls last week.

Brian Cayko and Mel Lehman provided focused information on the Simulated Hospital, the trades programs on campus and the WindMontana Project in addition to an overview of the programs and services offered by the College. Pictured is Brian Cayko demonstrating the need for respiratory skills on one of the healthcare mannequins in the Emergency Room of the Hospital.
